

THE GOSPEL OF THE KINGDOM

The Gospel of Jesus Christ is that the kingdom of God is available to those who seek after it believing in Christ for it. The good news is that we can experience life living with Jesus.

Salvation is not just the moment we began spiritual life but is the daily life we receive from God.

Romans 8:1-17 Colossians 3:23

God so loved humanity that He sent His unique Son among us, so that we who believe and count on Christ will not lead a futile and failing existence, but know the eternal life of God Himself. Eternal life is to know God the Father and Jesus the Son. John 3:16; 17:3

To truly love God is to see Jesus with as much fullness as possible through the Word. 1 John 1:3-6

And salvation is missed by a constant striving to earn it by self righteousness. Romans 10:3

The grace of God is not opposed to seeking, but it is opposed to earning. Earning is an attitude. Effort is an action. Seek first the kingdom of God. It is by grace we are saved through faith. Acts 17:26,27

To seek after God is to respond properly to the conviction of the Spirit of God.

And the Kingdom of God is available through King Jesus, the only name by which we can enter the Kingdom. Acts 4:12 Romans 14:17,18

We can live now in the Kingdom of God through faith in Christ Jesus. We can live productively out of the Kingdom of God by learning everything we can from Christ, and His commandments are always for our benefit. Colossians 4:11 1 Thessalonians 5:8-24
