

## DOCTRINE OF SALVATION: SANCTIFICATION, GLORIFICATION, AND JUSTIFICATION

Any person may cooperate with the conviction of the Holy Spirit and respond with saving faith in Jesus as Lord and Savior. New spiritual birth (regeneration) is given to those with saving faith. The Bible says that saving faith precedes regeneration.

John 1:12; 3:15-16; 6:35; 20:31      Galatians 3:26      1 Peter 1:19-23

Before creation, God has predetermined that all people who cooperate with the Spirit in saving faith will receive regeneration and a call to service with motivational gifts given by the Spirit. Before creation, God has chosen that those who are “in Christ” will be made holy and blameless before Him in love. God predetermined that those who are “in Christ” will receive divine adoption as sons to Himself through Jesus Christ, according to the good pleasure of His will. The Bible says that our election of God is God’s choosing us who are “in Christ” to service and holiness. Ephesians 1:4,5

The Bible says that regeneration precedes election and that election is to service set apart for holiness and righteousness. The regenerated believer is predestined to be conformed to the image of His Son and is then called according to His purpose for service and holiness. The righteous acts carried out in the “new creation” by the Spirit is the justification for our salvation, and God promises to complete His work in the believer unto glorification and sinlessness. We are saved by His life. The life of the resurrected Christ lived out in the believer produces a new creation which ultimately enters the presence of God totally sinless and totally righteous. Romans 5:10; 8:26-35
