

## LIFE ON EARTH FROM GOD'S PERSPECTIVE

God created the Heavens and the Earth.

God created one man, Adam, and one woman, Eve.

Adam disobeyed God. Romans 5:12

Sin, death, and wickedness entered human history through Adam and all the offspring of Adam.

God promised Adam and Eve a human deliverer from sin, death, and evil. Genesis 3:15

God promised Abraham that the deliverer would come from his offspring. Genesis 12:2,3

God promised righteousness to all people who believe God for the deliverer. Romans 4:24,25

Abraham believed God and it (his belief by faith) was counted to him for righteousness.

God credits righteousness to him who believes in Him who raised Jesus from the dead.

God promised Abraham that all the world would be blessed through him.

The blessing came when Jesus was born of the virgin Mary who was of the lineage of David and Abraham. Jesus, the eternal Son of God, became flesh and lived sinless even unto a sinless death.

God sent His own Son in human flesh to be the deliverer from sin and death. Romans 8:3

Jesus lived and died sinless. Sin killed Jesus and thus sin was condemned for killing the innocent Man.

Sin has been sentenced to removal from all of creation through definite judgments to come.

All born again believers in Jesus have the promise that God will finish the work He began in them and they will safely arrive at home with God being totally sinless and totally righteous. Philippians 1:6

All we have sinned and come short of the glory of God. We must be delivered from sin and we must be made righteous to the glory of God. Eternal life is to know God and His glory. John 17:3

To receive eternal life the sinner must believe in his deliverance from sin by the death and resurrection of Jesus. Jesus died a sinless death condemning sin to the utmost, and arose to remove sin throughout creation by specific judgments. Jesus has been given all power and authority in heaven and earth.

The believer's deliverance from sin and to righteousness is made sure by the indwelling Holy Spirit who makes the believer a new creation. The experience of the born again believer is learning to walk and live by the Spirit rather than living by the flesh. Our flesh is still inclined toward our sin nature inherited from Adam. Our new life in Christ must learn to walk in the Spirit and be renewed in our mind to obey Jesus. Romans chapter 3-12
