

## BIBLE LESSONS FOR CHILDREN (TWO)

Jesus chose to die because of our sin.

The Truth: John 14:6

Jesus died so that He could condemn sin and have the right to remove sin from all creation.

Jesus died so that He would have the right to take away your sin.

Jesus died so that you could be free from the power of sin in your life. You have a way not to sin.

To be saved from sin means that you want to stop sinning.

To have Jesus in your heart means that you want to stop sinning against God.

It requires practice to stop sinning.

Be conscious of sin. The Bible tells you what actions are sin.

Ask God to help you stop a particular sin.

Ask God to help you do right things (righteousness).

Jesus chose to die to bring many souls to righteousness. The Way: John 14:6

All people who believe in Jesus for sin removal receive the gift of eternal life.

Are you cooperating with your sin removal?

Does the Spirit of God convict you of sin?

Are you overcoming the power of sin in your life?

Are you replacing sin with righteous actions which are initiated by the Holy Spirit?

Jesus chose to die so that you may have life with Him now and forever. The Life: John 14:6

Jesus has placed the Holy Spirit in you. The Holy Spirit will remain in you forever.

Jesus has given you the Bible. The Holy Spirit will help you understand it.

Jesus has given you a new life. The Holy Spirit will help you live it.

The Holy Spirit will empower life in and through you.

You will think the very thoughts of Christ. You will have the very desires that Christ has.

You will think differently than the people of the world think. You will know truth.
