

## THE BATTLE FOR TRUTH

To own a truth requires more than just believing the traditions of men that are passed down to you. To own a truth you must go to battle for that truth. Once you have fought the battle you will often discover that the traditions of men were not true at all.

Redemption through Christ and ransom was the costly requirement of Jesus' labor spent for creation's release from bondage to sin. The ransom's requirement was the sinless death of a Man who gained victory over sin, death, and Satan. Sin is condemned to extermination and sin is ultimately removed from the person who believes and receives Jesus. Jesus arose from the dead with all power and authority to remove sin from all creation because of His sinless life and sinless death. At the present, we only see sin removal in process in the lives of born again believers in Christ. This process of sin removal begins in sanctification and ends in glorification.

For even the Son of Man came not to be served but to serve, and to give His life as a ransom for many. Mark 10:45

God has made provision for all men to be saved, and to come to the truth. For there is one God, and one mediator between God and men, the man Christ Jesus; who gave Himself a ransom for all. 1 Timothy 2:4-6

In Christ, we have redemption through His blood, the release from the bondage of sin, according to the riches of His grace. Ephesians 1:7

Jesus is the Lamb of God, who came to take away the sin of the world. John 1:29

“For what the law could not do, being weakened by the flesh, God did: He sent His own Son in the likeness of sinful man as an offering for sin. And He condemned sin in the flesh, subdued it and overcame it in the person of His own Son.”

Romans 8:3 Amplified Bible

God was in Christ, reconciling the world unto Himself, not counting their sins against them. 2 Corinthians 5:19
